THE HISTORY AND MISSION OF THE SHRINERS HOSPITAL FOR CHILDREN IN GREENVILLE

Jon R. Davids, MD is a board certified Pediatric Orthopedic Surgeon who is the Chief Surgeon, and Medical Director of the Motion Analysis Laboratory, at the Shriners Hospital for Children in Greenville, South Carolina, where he has worked since 1993. Dr. Davids also serves as a Clinical Assistant Professor of Orthopedic Surgery at the Medical University of South Carolina, Charleston, SC, Clinical Professor of Orthopedic Surgery at the University of South Carolina School of Medicine, Columbia, SC and as an Consulting Professor, Division of Orthopedic Surgery at Duke University, Durham, North Carolina.

Dr. Davids received his undergraduate degree in Latin American Studies from Brown University, attended Harvard Medical School, completed a residency in Orthopedic Surgery at the University of Colorado, and a fellowship in Pediatric Orthopedics at the University of California San Diego Children's Hospital and Health Center. While in San Diego he developed a "free" clinic in Tijuana for children with orthopedic conditions. Dr. David's clinical research has focused on computerized analysis of gait (based upon the same technology utilized by the entertainment industry for movie and video game animations), children with cerebral palsy, children's hand and upper extremity deformities, and children with congenital and acquired limb deficiencies. Davids is married to Lochrane Davids, MD, who is a pediatrician. They have two children.

Issue Date: April 5, 2007

Next Meeting: April 10, 2007, 12:30 p.m.

Westin Poinsett Hotel, Gold Room

FROM THE PRESIDENT

Dear Rotarians –

What a statement about the strong community leadership within our Club by Russell Stall at last week's presentation of Vision 2025 and the Greenville Forward concept. We all can be very proud of how active our membership is in the Greenville community. It is exciting to hear from area leaders that we have members that are truly making a difference in Greenville. The impact of all the activities in which we, as Rotarians, are involved further enhances the Upstate's quality of life. The Read to Me program, Rotary Family Literacy Center at the YWCA, our financial literacy program, and our heavy involvement with several Greenville County School District programs are just a few of the examples of how our Club's members are an important part of making the Vision 2025 plan successful.

Thanks so much to each of you that are participating in our numerous committees and making things happen for our Club. The work we do may not get a lot of media coverage, and the community may not understand what a large contribution Rotary makes to the community, however, the leaders of Greenville (many of whom are Rotarians themselves) know we get it done. Let's all look to continue our recruitment of Greenville's leaders and our membership will be able to continue its long history of being involved in keeping Greenville moving forward and creating a world class place to live.

Thanks again for everything you all do for Rotary!

Matt

WELCOME NEW MEMBERS!

Mercedes Bartow, President/CEO

370 Consulting Group

Classification: Strategic Planning & Consulting
