Prior to her move to Upstate SC in 2006, she lived and worked in Kentucky, Massachusetts, Virginia, California and New York.

Message From President Charles Warne

President, Charles Warne, is in California this week enjoying some well earned time off. As you know, Charles has been working diligently on our District project for the Haitian people. This is yet another example of what our Foundation contributions can do:

HAITI – What can my small gift accomplish?

- \$20 Provides farm tools
- \$25 Provides fruit trees
- \$50 Provides seasonal seeds for a year
- \$100 Provides agricultural aid for a year
- \$120 Treats a malnourished child
- \$150 Gives a goat to a family
- \$250 Provides for a family in the Family Assistance Program
- \$2000 Provides a scholarship to the new Vocational School

You are supporting our District's projects in Haiti that are helping to create a sustainable healthy living environment within Cange. **Thank you for your contributions!** Charles would like to send his best wishes for a beautiful spring weekend and a joyous Easter!

Friday night: Enjoy a Low Country Boil with beach band entertainment. Have all your senses tantalized with sounds from The Entertainers, the sight of the ocean as you dine and dance on the pool deck, the smell of the salty sea air and the taste of fresh seafood (a non-seafood dinner option as well as kids' meals will be available).

Saturday: Hear about international projects in the works in India, Honduras, and Haiti plus presentations from our Japanese GSE team and our Youth Exchange students.

Sunday: Memorial service followed by "The Economy & Where It's Headed," with Bruce Yandle, who served on White House staff during the Ford and Carter administrations and later as Executive Director of the Federal Trade Commission in the Reagan Administration.

Volunteers Needed - Stars and Stripes Cycling Event on May 29th! – Save the Date

The Downtown Rotary Club of Greenville has again partnered with the Palmetto Peloton Project to raise money for cancer research! The Palmetto Peloton Project is hosting its annual Stars and Stripes Challenge Ride on Sunday, May 29th. This is a popular recreational cycling event held in conjunction with USA Cycling Professional Championships weekend. The proceeds from the event are donated to cancer research.

The Downtown Rotary Club needs volunteers to staff this event. We need course marshals and registration assistants. You can email: clubadmin@greenvillerotary.org to sign-up. Your families and friends are welcome to join you. Children must be at least 10 years old to volunteer.

Additionally, you can help by either registering to ride in the race or by donating. If you are riding, you are welcome to register with the “Rotary of Greenville” team. The process is simple, here is the link: www.p3ride.org

Help us raise a significant amount of money in what will prove to be a very fun and exciting day. Let’s leave a fantastic impression on what Rotary can do!
